PREVIOUS EDITION UNUSABLE

(Signature of Contracting Officer)

STANDARD FORM 30 (REV. 11/2016)

Prescribed by GSA
FAR (48 CFR) 53 24

- 1. The purpose of this modification is to change Sections A, E, G and J of the contract.
- 2. The contract is modified as follows:

Section A:

PR#201707210000 is added to Block 4 on the SF26.

Section E:

- a. Section E.2.1.3.1.1:
 - i. Table row "Government Input(s)" is modified to state: "Instructions to submit xml over web services will be provided at the time of BSS testing" vs. "Properly formatted government data set listed as using web services as the transfer mechanism in Section J.2".
 - ii. Table row "Data Set Description" is modified to "N/A."
- b. Section E.2.1.3.1.3:

The entire test case (table) is deleted and Section E.2.1.3.1.3 is marked as "Reserved".

c. Section E.2.1.3.1.4:

Expected Output(s) row is modified to read "Notification from the contractor of failed import" vs. "Notification to the contractor of failed import".

- d. Section E.2.1.4:
 - Insert the following after the first sentence of the first paragraph: "The Government will issue test results based on the deliverables for each test case."
 - ii. Delete the text beginning at "The contractor shall provide test results that will provide details of testing the following:" through the end of the section.

Section G:

- a. Section G.8.2.1.1.1, table row for Service "Ethernet Transport Service" is modified in the KPIs Defining the Service-Specific SLA column as follows:
 - Remove the following items:

"Grade of Service (Packet Loss) - Routine"

"Grade of Service (Packet Loss) - Critical"

Modification: # P00001

Insert the following items at the end of the list:

"Grade of Service (Failover Time) - Routine"

"Grade of Service (Failover Time) - Critical"

b. Section G.8.2.1.1.1, table row for Service "Optical Wavelength Service" is modified in the KPIs Defining the Service-Specific SLA column to insert the following items at the end of the list:

"Grade of Service (Restoration Time) - Routine"

"Grade of Service (Restoration Time) - Critical"

c. Section G.8.2.1.1.1, table row for Service "Managed Mobility Service" is modified in the KPIs Defining the Service-Specific SLA column to remove "Availability."

Section J:

a. Section J.2.3.3.1:

Remove the following rows (data set entries) from the table:

- Authoritative System
- Contract
- Location
- b. Section J.2.10.1.1.4.2:

Insert a new sub section J.2.10.1.1.4.2.6:

J.2.10.1.1.4.2.6 Clarification of Line Items Being Changed

To clarify the order line items being changed, the government may include unchanged line items on the change SO using the following order types:

- Header Order Type = Change
- Line Item Order type = None
- c. Section J.2.10.2.1.4
 - i. Insert the following before the table:
 - Although specified as "If Applicable", values are always required for "unique_billing_identifier" except the Billing Data Accuracy KPI (see Section G.4.12.1) and the Billing Charges Accuracy KPI (see Section G.4.12.2).
 - ii. Change the Value Requirement to "If Applicable" vs "Always" for the following Element Names (table rows):
 - contractor_service_request_number
 - contractor_service_level_account_number

- · unique billing identifier
- agency_hierarchy_code
- contract_line_item_number
- clin_description
- iconectiv_nsc
- originating_jurisdiction_code
- contractor_charge_waiver_code
- total_line_item_amount
- agf_amount
- billed_aggregated_tax
- line net amount
- original bill_line_item_sequence_number
- d. Section J.2.10.2.1.14 Service Level Agreement Report is modified as follows:
 - i. Insert the following before the table:
 - Although specified as "If Applicable", values are always required for "unique_billing_identifier" and "service" except the Billing Data Accuracy KPI (see Section G.4.12.1) and the Billing Charges Accuracy KPI (see Section G.4.12.2).
 - For KPIs measured and reported at the level of the service (see Section G.8.2.1.1), the "unique_billing_identifier" shall contain the value of the primary service component rather than reporting each component separately.
 - ii. Insert a new table row after "contract_number" with the following values:
 - Element Name = agency_task_order_num
 - Value Requirement = Always
 - iii. For the table row for "unique_billing_identifier", change the Value Requirement to "If Applicable" vs "Always"
 - iv. For the table row for "service", change the Value Requirement to "If Applicable" vs "Always"
- e. Section J.2.10.2.1.22 is modified to insert a new table row after "contract_number" with the following values:
 - Element Name = agency_task_order_num
 - Value Requirement = Always
- f. Section J.2.10.3.1.2: Primary Data Element List, row for Element Name "dispute_status_code" is modified to change the data type to "Alphanumeric" vs "Alpha"
- g. Section J,2.10.3.1.2: Primary Data Element List, row for Element Name "originating_location_country" is modified to change the Length to 2 vs 50.

Contract GS00Q17NSD3001 Modification: # P00001

- h. Section J.2.10.3.1.2: Primary Data Element List, row for Element Name "Service" is modified to change the Edit Mask to "SVC.service_code" vs "SVC.code".
- i. Section J.2.10.3.1.2: Primary Data Element List, row for Element Name "tax_item_number" is modified to change the Edit Mask to "ALLTAX.tax_item_number" vs "ALLTAX.item_number".
