2 Service Description

Standard Service Components

2.1 BT will provide the Customer with the Standard Service Components, as set out below:

- 2.1.1 Subscription set-up via the BT CMS Portal to provide the Customer with access to the Microsoft® Azure Management Portal. The Microsoft® Azure Management Portal will give the Customer access to a catalogue of available Microsoft® Azure services; and
- 2.1.2 A single invoice for the Service that will list charges for the Microsoft® Azure services that the Customer has consumed; and
- 2.1.3 Service Desk support that will provide first line support to the Customer and is available 24x7x365 for fault reporting and enquiries;

(the “**Service**”).

2.2 The Customer will have the following services in place that will connect to the Service and are necessary for this Service to function:

2.2.1 BT Compute Management System.

2.3 If BT provides the Customer with any services other than the Service, this Schedule will not apply to those services and those services will be governed by their separate terms and conditions.

2.4 BT will not be liable for failure to, or delay in supplying the Service if another supplier delays or refuses the supply of a service to BT and no alternative service is available at reasonable cost.

2.5 Service shall commence on the Operational Service Date and unless one of us gives Notice to the other of an intention to terminate the Service in accordance with the Agreement, BT will continue to provide the Service and both of us will continue to perform each of our obligations.

3 Access to Internet

3.1 The Customer acknowledges and agrees that where the Service provides access to the Internet, the use of the Internet is at the Customer’s own risk.

3.2 The Customer acknowledges that:

- (a) The Internet is independent of the Service and BT has no responsibility for provision of the Internet; and

BT Compute for Microsoft® Azure Service Schedule

- (b) use of the Internet is solely at the Customer's risk and subject to all applicable laws. BT has no responsibility for any information, software, services or other materials obtained, downloaded, shared or transmitted by the Customer using the Internet.

4 BT's Obligations

Service Delivery

- 4.1 Before the Operational Service Date and, where applicable, throughout the provision of the Service, BT will:
- 4.1.1 provide the Customer with contact details of the helpdesk to submit service requests, report Incidents and ask questions about the Service ("**Service Desk**");
 - 4.1.2 provide the Customer with Microsoft® Azure subscription(s) which the Customer can use to self-serve Microsoft® Azure services using the Microsoft® Azure Management Portal;
 - 4.1.3 provide the Customer with an invoice which will include the Microsoft® Azure services the Customer has consumed.

Service Operation

- 4.2 On and from the Operational Service Date, BT:
- 4.2.1 will respond and use reasonable endeavours to remedy an Incident without undue delay and in accordance with Clauses 5.8 – 5.11 of this Schedule.
 - 4.2.2 may carry out Planned Maintenance on the BT CMS Portal, from time to time. BT may inform the Customer with less Notice than normal where emergency Planned Maintenance is required;
 - 4.2.3 may, in the event of a security breach affecting the Service, require the Customer to change any or all passwords. BT does not guarantee the security of the Service against unauthorised or unlawful access or use.

5 Customer Obligations

Service Delivery

- 5.1 The Customer agrees to accept the Microsoft® Cloud Agreement terms of use and the terms of use for each Microsoft® service the Customer orders and consumes.
- 5.2 Before the Operational Service Date and, where applicable, throughout the provision of the Service by BT, the Customer will:
- 5.2.1 provide BT with the names and contact details of any individuals authorised to act on the Customer's behalf for Service management matters ("**Customer Contact**"). BT may also accept instructions from a person who BT reasonably believe is acting with the Customer's authority;
 - 5.2.2 provide BT with any information reasonably required without undue delay;
 - 5.2.3 software, and telecommunications equipment and services, necessary to access and use the Portals and Microsoft® Azure services;
 - 5.2.4 ensure that the equipment or services used by the Customer to access, view or use the Portals is technically compatible;
 - 5.2.5 not permit or make any attempt to disassemble, deconstruct, break down, hack or otherwise interfere with the Portals or any part of the Portals;

BT Compute for Microsoft® Azure Service Schedule

- 5.2.6 agree to the details of the Service, including configuration information, to be accessible online via the Portals;
- 5.2.7 provide the Service Desk with at least 30 days' notice should the Customer wish to transfer the Customer's subscription to an alternative Microsoft® partner.

Customer's use of Microsoft® Azure services

- 5.3 The Customer's use of the Microsoft® Azure Management Portal and the provisioning of any of the Microsoft® Azure services will be subject to the Customer's acceptance of the Microsoft® Cloud Agreement terms of use and the terms of use for each service presented to the Customer when the Customer accesses the Microsoft® Azure Management Portal. The Customer acknowledges Microsoft's conditions and agree to observe and comply with them for any and all use of the Microsoft® Azure services.
- 5.4 Any licences, warranties and indemnities provided by BT in the General Terms and Conditions do not apply to the Customer's use of the Microsoft® Azure Management Portal or any of the Microsoft® Azure services. The use of the Microsoft® Azure Management Portal and any of the Microsoft® Azure services is governed by the applicable Microsoft® conditions.
- 5.5 The Customer is solely responsible for any obligation or liability arising out of transactions of any kind entered into between the Customer and any third party accessing or relying on the Service, the Customer's information, or third party information. BT will not be a party to any transaction between the Customer and any third party.

Service Operation

- 5.6 On and from the Operational Service Date, the Customer will:
 - 5.6.1 pass Incident reports to the Service Desk using the reporting procedures agreed between the Parties;
 - 5.6.2 ensure that any Customer Equipment that is connected to the Service or that the Customer use, directly or indirectly, in relation to the Service is:
 - (a) adequately protected against viruses and other breaches of security;
 - (b) technically compatible with the Service and will not harm or damage BT Equipment, the BT Network, or any of BTs' supplier's or subcontractor's network or equipment; and
 - (c) approved and used in accordance with relevant instructions and applicable law;
 - 5.6.3 distribute, manage and maintain access profiles, passwords and other systems administration information relating to the control of Users' access to the Service;
 - 5.6.4 ensure the secure and proper use of all valid User access profiles, passwords and other systems administration information used in connection with the Service and:
 - (a) inform BT immediately if a user ID or password has, or is likely to, become known to an unauthorised person, or is being or may be used in an unauthorised way;
 - (b) take all reasonable steps to prevent unauthorised access to the Service; and
 - (c) satisfy BT security checks if a password is lost or forgotten; and
 - (d) ensure that BT retains owner access of the subscription during the service.
- 5.7 If BT requests the Customer to do so in order to ensure the security or integrity of the Service, change any or all passwords and/or other systems administration information used in connection with the Service.

BT Compute for Microsoft® Azure Service Schedule

Notification of Incidents

- 5.8 Where the Customer become aware of an Incident, the Customer will report it to BT Service Desk:
- 5.9 BT will provide the Customer a unique reference number for the Incident (“**Ticket**”);
- 5.10 BT will close the Ticket when:
- 5.10.1 The Customer confirm that the Incident is cleared within 24 hours of being informed; or
 - 5.10.2 BT has attempted unsuccessfully to contact the Customer, in the way agreed between the Parties, in relation to the Incident and the Customer has not responded within 24 hours of BT’s attempt to contact the Customer.
- 5.11 If the Customer confirms that the Incident is not cleared within 24 hours of being informed, the Ticket will remain open, and BT will continue to work to resolve the Incident.

6 Security

- 6.1 The Customer is responsible for the security and proper use of all User IDs, Checkwords and passwords. BT may suspend access to the Service at any time if there is, or is likely to be, a breach of security or misuse of the Service.
- 6.2 The Customer will immediately inform BT if there is any reason to believe that a User ID, password, or Checkword allocated by BT has, or is likely to be used in an unauthorised way.
- 6.3 Where there is, or is likely to be, a breach of security or misuse of the Service, BT may require the Customer to change any or all of the Checkwords or passwords associated with the Service and used by the Customer in connection with the Service.
- 6.4 The Customer is responsible for the security of its information. BT accepts no liability for any such incidents, or for any loss or damage suffered by the Customer.
- 6.5 BT will use reasonable care and skill in carrying out BT’s obligations under this Agreement in accordance with its security policy, however it is not possible to guarantee that all instances of fraud, misuse, unwanted or unauthorised activity or access to the Customer’s information is prevented or detected. Whenever BT becomes aware that security has been compromised, BT will take actions in order to limit any further occurrences of fraud, misuse, unwanted or unauthorised activity or access to the Customer’s information. Nevertheless, BT accepts no liability for any such incidents, or for any loss or damage suffered by the Customer.

7 Data Protection

The following provision replaces Clause 19.3 of the General Terms and Conditions in its entirety:

- 7.1 BT may need to collect, Process and use Personal Data in order to:
- (a) administer, track and fulfil Orders for a Service;
 - (b) deliver and commission the Service, either remotely or at the Sites;
 - (c) process, track and resolve Incidents with the Service, either remotely or at the Sites;
 - (d) administer access to online portals relating to the Service;
 - (e) compile, dispatch and manage the payment of invoices relating to the Service;
 - (f) respond to general queries relating to the Service.

BT Compute for Microsoft® Azure Service Schedule

- 7.2 BT will Process this Personal Data in accordance with applicable Data Protection Legislation and the relevant BT privacy policy set out at:
<http://www.btplc.com/privacycentre/index.htm>.
- 7.3 BT may be required to share this information with other relevant parties, within or outside the European Economic Area, in order to carry out these activities, but in doing so, BT will ensure that the sharing and use of this information is compliant with applicable Data Protection Legislation.
- 7.4 BT may, from time to time, contact the Customer Contact, or other network manager or procurement manager involved in the procurement or management of the Service, to provide additional information concerning the Service, or other similar services, and if this information includes marketing materials, BT will provide a mechanism for the recipient to elect not to receive such communications in the future.
- 7.5 You are responsible for complying with all requirements under applicable Data Protection Legislation and for ensuring that all criteria (for example notifications, consents etc.) necessary for the provision of the Service by BT, Microsoft® and their respective Affiliates and service providers, are fulfilled when sharing such Personal Data with BT.
- 7.6 The Customer will ensure that they disclose to BT only the Personal Data that BT requires in order to perform the Service.
- 7.7 To the extent that, for the provision of the Service, BT is required to Process Customer Personal Data on the Customer's behalf, BT will:
- (a) Process the Customer Personal Data only on the Customer's instructions and to the extent necessary for the performance of this Agreement;
 - (b) implement technical and organisational security measures appropriate to the risk represented by the Processing and the nature of the Customer Personal Data, to protect the Customer Personal Data against accidental or unlawful destruction or accidental loss, alteration, unauthorised disclosure or access;
 - (c) not disclose Customer Personal Data to a third party unless required to provide a Service, allowed by the Agreement or otherwise required by Applicable Law.
- 7.8 Notwithstanding any other provision in the Agreement, the Customer agrees that, for BT to provide a Service, Customer Personal Data may be:
- (a) used, managed, accessed or transferred and held on a variety of systems, networks and facilities (including databases) worldwide;
 - (b) provided or transferred by BT to any BT Affiliate, subcontractor or supplier worldwide to the extent necessary to allow that BT Affiliate, subcontractor or supplier to perform its obligations in respect of the Service and the Customer appoints BT to perform each transfer in order to provide the Services, provided that BT takes appropriate steps and enters into appropriate agreements with BT Affiliates, subcontractors or suppliers, as required, for each transfer to be adequately protected.
- 7.9 The Customer will obtain or submit promptly any regulatory approvals or notifications required under the Data Protection Legislation. The Customer agrees that we, to the extent permitted by Applicable Law, will not be liable for any Claim arising out of or in connection with any action or omission by us, to the extent that such action or omission results from:
- (a) any failure by the Customer to comply with this Clause 7; or
 - (b) us complying with any of the Customer's instructions; and

BT Compute for Microsoft® Azure Service Schedule

- (c) The Customer will indemnify, hold harmless and defend us from and against any such Claim brought against us by any third party, including a Data Subject.

7.10 BT will not have access to Personal Data and/or other confidential information that may be shared between the Customer and Microsoft® regarding the use of the Microsoft® Azure Management Portal and the provisioning of any of the Microsoft® Azure services. Any handling activities for the Microsoft® Azure Management Portal and Microsoft® Azure services will be governed by the agreements between the Customer and Microsoft®. BT will only handle limited contact information and other service information to the extent required to perform BT's obligations contained in this Service Schedule.

8 Service Management Boundary

8.1 BT will provide and manage the Service set out in this Schedule and as set out in the Order ("**Service Management Boundary**").

8.2 BT will have no responsibility for the Service outside the Service Management Boundary. For the avoidance of doubt, the Service Management Boundary does not include the Microsoft® Azure Management Portal and any Microsoft® Azure services accessed via the Microsoft® Azure Management Portal.

8.3 BT does not make any representations, whether express or implied, that the Service will operate in combination with any Customer Equipment or other equipment and software.

9 Charges

9.1 The Charges for the Service will be set out on the Order and will be invoiced and paid in accordance with the applicable provisions as agreed in the General Terms and Conditions.

9.2 Unless stated otherwise in an applicable Order, BT will invoice the Customer for:

9.2.1 Usage Charges will be monthly in arrears on the first day of the relevant month calculated at the then current rates for each Microsoft® Azure service consumed within the Customer's subscription.

9.2.2 BT may invoice the Customer for any of the following Charges in addition to those set out in the Order.

- (a) Charges for investigating Incidents that the Customer reports to BT where BT finds no Incident, or the Incident is caused by something for which BT is not responsible, or the Incident is outside of the Service Management Boundary;
- (b) Charges for restoring Service if the Service has been suspended;
- (c) any other Charges set out in any applicable Order or as otherwise agreed between the Parties.

10 Service Levels

10.1 Service Levels relating to any Microsoft® Azure services or the Microsoft® Azure Management Portal are detailed in the Customer's SLA agreement with Microsoft®.

Where a Service Level is not met by Microsoft®

10.2 The Customer will submit a claim for Service Credits to BT and include information necessary for BT to validate the claim, including but not limited to:

10.2.1 a detailed description of the Incident;

10.2.2 information regarding the time and duration of the downtime (as described in Microsoft® Azure SLAs for each service);

BT Compute for Microsoft® Azure Service Schedule

- 10.2.3 the number and location(s) of affected users (if applicable); and
- 10.2.4 descriptions of the Customer's attempts to resolve the Incident at the time of occurrence.
- 10.3 The Customer will ensure that claims for Service Credits related to Microsoft® Azure services will be received by BT within two months of the end of the billing month in which the Incident that is the subject of the claim occurred.
- 10.4 BT will submit all information relating to the claim for Service Credits to Microsoft® who will determine whether a Service Credit is owed. BT will use commercially reasonable efforts to process all information relating to claims during the subsequent month and within 45 Business Days of receipt.
- 10.5 BT will communicate Microsoft's® decision to either approve or decline the claim to the Customer.
- 10.6 If Microsoft® determine that a Service Credit is owed to the Customer, BT will apply the Service Credit to the Customer's invoice on the next invoice.
- 10.7 BT accepts no liability for Microsoft's non-approval of a claim.
- 11 Minimum Period of Service, Termination and Termination Charges**
 - 11.1 There is no Minimum Period of Service.
 - 11.2 Termination for Convenience
For the purposes of Clause 12 of the General Terms and Conditions, either of us may, at any time after the Operational Service Date and without cause, terminate the Service or any Order by giving 30 days' Notice to the other.
 - 11.3 On termination or expiry of the Service by either the Customer or BT, BT will;
 - 11.3.1 terminate the Service and suspend the Customer's subscription(s) and Account; or
 - 11.3.2 arrange to transfer the Customer's subscription to an alternative Microsoft® partner.
